Discussion/Motions

MLK Dream Run

Shoshana Cohen informed the group that NECN had already sent a letter of support. Nora Diver pointed out that Jim and NNEBA had already considered and accounted for most aspects of the event. Irek Wielgosz motioned to write letter of support of the MLK Dream Run 2011. Alan seconded. 8 yeas, 0 nays, 0 abstentions

Juneteenth Forward

Alan motioned to forgo giving KNA funds in support of Woody Broadnax's Juneteenth Forward event. Lyndsey Vaughn-Dieter seconded. David Lomax asked if a specific amount of money was requested, and suggested the motion be amended to reflect a lack of information. Alan amended the motion to include “due to lack of information about expenditures and what a KNA contribution would directly be used for.”
8 yeas, 0 nays, 0 abstentions

Irek introduced a motion to support the location of Juneteenth Forward at MLK and NE Alberta. Throughout the discussion there was confusion about how Woody has been involved in Juneteenth historically, that is: which projects has he been involved in? Nora thought there might be confusion with the Juneteenth event at Jefferson High School, or traffic/safety concerns, but concluded that isn't KNA's responsibility. Maureen seconded. 8 yeas, 0 nays, 0 abstentions. Alan agreed to write a KNA letter of support for the location.
