Open Forum

- There were discussions about getting a series of guest speakers to come, but until we have more attendees, this was shelved
- Possibility of meeting with Vernon Neighborhood Association for possible co-participation for a free flyer that the VNA will be sending out, advertising neighborhood associations. Martina will track and update
- Update on the KNA Farmers Market booth. Pacific Corp could co-sponsor booth, including discussions on zero emission vehicles, e-scooters, etc. Martina needs to check with NECN to see about payment. Cost would be \$4000 for booth, paid by sponsorship and grants. Other partners could be Solar Oregon, Community Energy Projects
- Check with Alberta Abbey to see if they would like to have a feature on the KNA blog and Facebook page (John K)

- Community Concerns: sidewalk improvements, what resources are available if the cost is too high; abandoned cars, and how to report them (John K)
